

Bruin App Builders

welcomes you.

Improvement

Risk-taking

Community

Expression.

Bruin App Builders

is about expression.

Through code.

Through design.

Through leadership.

Through your vision.

How things work:

Help us help you.

BAB is a community centered
on helping you accomplish
what you want to accomplish.

We have nothing pre-planned
for you.

But invest time into yourself,
invest time into the community,
And you'll have prepared
yourself for the future with skills
and a community of friends.

What to do:

Be proactive.

Set challenging, reachable goals

Post questions on the FB group

Ask individual members for help

Invite members to lunch/dinner

Share generously.

Post articles to the FB group
Ask for feedback on your work
Offer to mentor others in need

dancing

philosophy

graphic design

leadership

gym partners

photography

code

cooking

writing

anything else?

Express

Yourself.

Create cool

things

Do cool

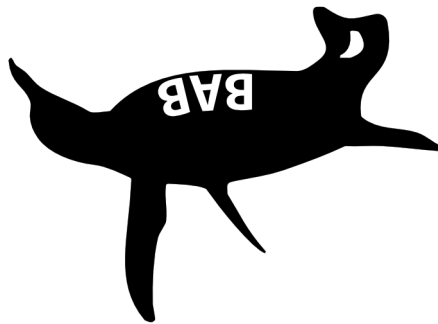

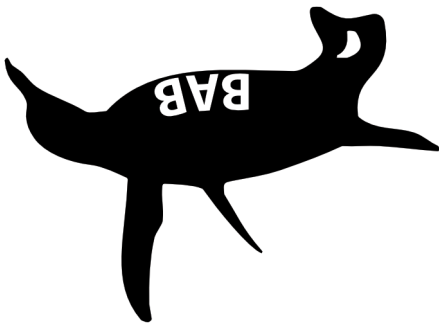

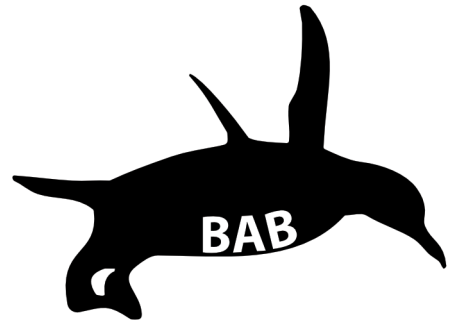

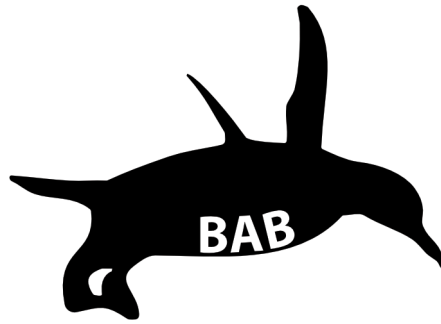

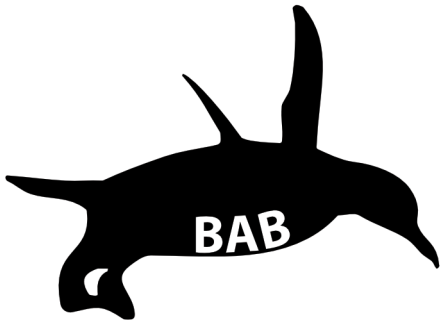

things

Let your

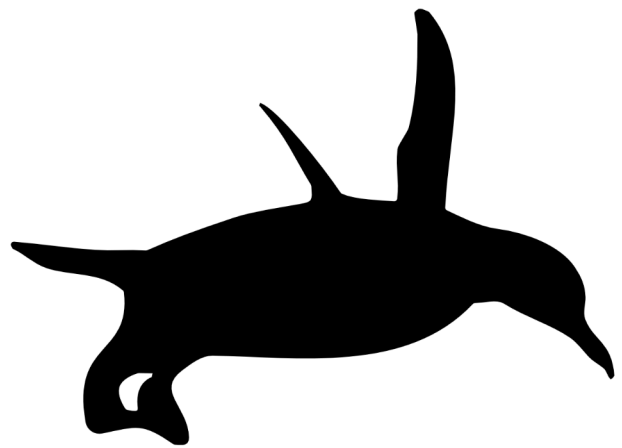

imagination

Flourish. Flourish.
Flourish. Flourish.

Welcome to

Bruin App

Builders
